Udsagnsord

Udsagnsordet fortæller om noget, vi gør. Det står tit efter et navneord. Når man bruger he, she eller it, sætter man -s efter ordet.

Husk at *to* (at) tit står foran et udsagnsord.
For eksempel:

- I am happy to see you
(*Jeg er glad for at se dig*)

Dansk	Engelsk
jeg spiser	I eat

Læs teksten, og sæt streg under udsagnsordene.

Judith always swims on Saturdays.

She packs her towel, goggles and a swimsuit.

Then she rides her bike to the beach with two friends.

They change clothes and run into the water.

It is cold, but they love it.

After half an hour, they swim back to the beach.

Finally, they buy ice cream and bike home.

Nutid eller datid?

Man bruger **nutid**, når man taler om noget, der sker lige nu, eller noget, der altid er sådan.

Når man bruger *he, she* eller *it*, sætter man *-s* efter ordet. Ellers ændrer man det ikke.

I walk	jeg går
He/she/it walks	han/hun/den/det går

Man bruger **datid**, når man taler om noget, der allerede er sket.

I datid sætter man *-ed* efter de fleste ord.

I walked	jeg gik
He/she/it walked	han/hun/den/det gik
